

V4V Program Updates

Due to the increase in popularity of the program since it started in 2012, the following changes have been made to the program and will take effect March 1, 2019.

- The Vacations for Vets program for 2019 and 2020 is full.
- The program will not be accepting new applications until March 1, 2020, at which time applications for 2021 will be accepted.
- Moving forward, applications will ONLY be accepted through the JotForm posted on [Support Our Troops](#).
- For those currently on the 2018 and 2019 waitlists, a spot has been allocated to you on either the 2020 or 2021 travel list. You are not required to reapply. The program administrator will begin contacting applicants in October 2019.
